Guidelines Governing *Post Secondary* Scholarships and Financial Assistance

Please read the following requirements and make certain you understand these guidelines when completing this application. If these guidelines are not followed, the Board of the EYCS ***will not consider*** your application for financial assistance.

1. Each individual initially applying for financial assistance must be an Episcopalian, 22 years of age or under.
2. Applicant must apply by ***May 31st***.
3. Education scholarships are approved for one school year only. You may reapply in successive years (for a maximum of 4 years), but you must apply by ***May 31st*** to be considered for renewal.
4. Applicant must be, or intend to become, a full-time undergraduate student earning ***at least 12 credit hours*** per grading period, and ***must maintain passing grades***. Copies of grades must be sent at the end of each grading period for which assistance is given. If grades not available for inclusion with application, submit application and mail grades at earliest opportunity.
5. EYCS Educational Scholarships are need-based, and given only to deserving students who are members-in-good-standing of the Episcopal Diocese of Georgia.
6. Payments for educational assistance will be made to your parish priest in two installments: August and December.
